

Caribbean Breeze Community Outreach

Serving with Love. Giving with Purpose. Building a Stronger Community.

A Special Appeal to Our Valued Donors

Dear Friend and Supporter,

As we approach the Thanksgiving and Christmas seasons, Caribbean Breeze Community Outreach is reaching out to our faithful donors and friends with a heartfelt request for your continued support.

Throughout the year, we have continued to serve families in our community by providing food, furniture, clothing, household items, and other necessities to those who are struggling. In many cases, we provide food assistance weekly, and sometimes twice a week, because the need is so great.

Unfortunately, many families are facing difficult times. The rising cost of living and the current economic challenges are making it harder for families to afford basic necessities. Parents are struggling to put food on the table, families are moving into homes without furniture, and many children may not have the Christmas they deserve without assistance from caring people like you.

As Thanksgiving approaches, we are preparing for Thanksgiving in the Park, where we hope to provide food, fellowship, and encouragement to families in need.

We are also preparing for our Christmas Extravaganza, where our goal is to bless at least 300 children with toys, clothing, treats, and the joy of knowing that someone cares about them.

We Need Your Help: We humbly ask you to consider donating to Caribbean Breeze Community Outreach so that we can continue this important work.

Your donation can help provide:

Food for families in need

Christmas toys for children

Clothing for children and families

Furniture for families moving into homes

Thanksgiving and Christmas meals and treats

Emergency assistance for families facing difficult circumstances

No donation is too small, and every donation is greatly appreciated. Your generosity can mean a meal for a hungry family, a bed for someone who has none, or a Christmas gift in the hands of a child who might otherwise receive nothing.

We know that there are many organizations asking for support, and we are truly grateful that you have chosen to stand with Caribbean Breeze Community Outreach. Your continued generosity allows us to continue reaching people throughout our community—not only during the holidays, but throughout the entire year.

As you consider your holiday giving, please remember the families and children who are struggling and consider making Caribbean Breeze Community Outreach part of your giving this season.

Thank you for your generosity, your prayers, your encouragement, and your belief in what we are doing.

May you and your family have a blessed Thanksgiving and a joyful Christmas season.

With heartfelt appreciation, Caribbean Breeze Community Outreach

Serving with Love. Giving with Purpose. Building a Stronger Community.
